***My way into the digitalized and
globalized working world***

EVALUATION

HOW WAS THE 2. LTTA?

What can we learn from the last LTTA? How are the evaluation results from the participants? What criteria are important?

DIGITALISATION AND EDUCATION

HOW CAN DIGITALIZATION IMPROVE TEACHING?

In the project we've been learning the impacts of digitalization on businesses and professions. We also to apply digital tools. But how can it help us to improve school and teaching?

We meet Prof. Wassilios E. Fthenakis. Who is an expert in pedagogics and the former president of the Didakta, the German Education Fair.

INTERCULTURAL COMMUNICATION

WHAT ARE KEYFACTORS FOR INTERCULTURAL COMMUNICATION?

For an international project it is important to know what is decisive for communication processes. We meet Dipl.-Psych. Lale Evenkamp who is also specialized in Intercultural Psychotherapy. Elif Cicek has an advanced training in intercultural communication and we can exchange experiences.

RESULTS FOR THE JOURNAL

OUR FINAL PRODUCT - THE JOURNAL

Students and Teachers have to prepare articles and digital information related to our project topics.

Topics for students and teachers:

Digitalization, Globalization, Green economy, Entrepreneurship

Extra topics for teachers: Digital tools, Education, Erasmus, Dual education, international communication

3. LTTA

PLANNING THE 3. LTTA

The next LTTA is in St. Giron and focuses on the topic entrepreneurship. Students build up their own startup idea. They plan the process from the idea to the fit for the future test. They integrate their knowledge about digitalization and green economy. They use digital tools to present the idea. We will work on a schedule.

FINANCES AND ORGANISATION

HOW IS OUR PROJECT RUNNING?

How are the finances and how can we improve organisation and communication?
